

Dress for Work - Annual Subscription Form for Service Providers

Dress for Work is a program of Metro Assist which was established in response to clients experiencing financial hardship. The program provides immediate and practical support to men seeking employment. Modelled on the women's service, 'Dress for Success', we provide business clothing for men who cannot afford quality clothing to make a good first impression at job interviews and for other important appointments.

The Dress for Work package also includes a **Job a Readiness Training program** run by Dress for Work Facilitators addressing topics on grooming and dressing, understanding employer expectations and Australian workplace culture. This program can be incorporated into existing Service Providers' programs or can be conducted as a stand-alone program at our premises located in Bankstown.

Cost - \$200

Annual subscription (12 months) from date of payment includes provision of fittings (unlimited number of clients) as well as the Job Readiness Training, subject to availability.
